

Cedar Falls Stacked Stone Thin Veneer

Photo Shows Dry-Stacked Installation

DESCRIPTION

Cedar Falls Stacked Stone is a thin strip style ledgerstone comprised mostly of rectangular pieces with a few angled edges. Featuring natural edges, while maintaining a tight fit, this stone is ideal for those that want a clean looking ledgerstone. The color range includes subtle tans, light browns, and hints of cream. This stone is traditional installed in a dry-stacked style, although it can be installed with a mortar joint.
