

Rockport Round Thin Veneer

Photo Shows Installation With Mortar Joint

DESCRIPTION

Rockport Round is a natural thin stone veneer featuring smooth, unweathered stones in a soft blend of grays, silvers, and subtle earth tones. Its rounded shapes create a clean, timeless look suited for both interior and exterior applications. Rockport Round provides the appearance of full-depth stone with easier installation, making it ideal for fireplaces, exterior facades, foundations, and outdoor living spaces where a timeless, understated look is desired.
