A FEW SHOTS WE LOVE TO SEE

Any angle. Any project. Any season.

Full exterior — façade, entry, chimney, foundation

Fireplaces & hearths — interior or outdoor

Interior accent walls — kitchens, living rooms, basements

Outdoor living — ovens, kitchens, pool surrounds, fire pits

Close-up detail — corners, joinery, texture, mortar

In-progress — crates in the drive, scaffolding, half-laid walls

Phone photos are perfect — shoot in daylight, hold the phone level, and send the largest file size you can. Know the stone name or collection? Include it; no worries if you don't.
