Colonial Tan™ Ashlar Thin Veneer is taller than Ledgestone veneer with a roughly rectangular shape. Its face has been split revealing the vibrant and more varied colors of the inside grain of the stone. Colonial Tan™ is a natural stone that consists of radiant browns, beiges, tans, and light gray accentuated by gold and silver specks. These earthy tan colors give your project a fresh, unmistakable look. Sold as individual stones not stone panels.

**DESCRIPTION**

- **Height:** 3–7 inches
- **Length:** 4–14 inches
- **Thickness:** 1 inch +/- ¼ inch
- **Weight:** Less than 14 lbs per SF

**PACKAGING**

- **Flat Crate:** 168 SF (SKU# VTACFW)
- **Flat Box:** 5 SF (SKU# VTACFS)
- **Corner Crate:** 150 LF (SKU# VTACCW)
- **Corner ½ Crate:** 75 LF (SKU# VTACCCH)
- **Corner Box:** 5 LF (SKU# VTACCS)

**APPLICATIONS**

This product is HCA (Harsh Climate Approved). It has been subjected to numerous freeze-thaw cycles and can withstand the harshest hot, cold, or wet climates. Perfect for interior and exterior use in all regions including applications below grade. Suitable for use near salt water, water features, and in areas where blowing sand is a concern.

**PROFILE**

- **Colors:** Brown, beige, tan, gold, light gray
- **Finish:** Split, textured face

**INSTALLATION**

Thin Veneer installation information is available on our website www.stoneyard.com/install. A mock-up is recommended to help in all design decisions including grout color, joint size (dry-laid, standard, or wide), and desired finish. www.stoneyard.com/mortar

**LEED® CERTIFICATION & ENERGY EFFICIENCY**

Whether it’s for a commercial building or historical restoration, this natural building material can assist with the LEED certification. Functionally, stone will retain heat in the winter and cold in the summer, enhancing energy efficiency. www.stoneyard.com/architect

**CORNERS**

Matching 90° corners are available in all colors and shapes. When other angles are needed, the installation options are weaving (alternating flats) or miter cutting flat pieces to wrap the corner. www.stoneyard.com/corner

Natural stone varies in color, veining, and pattern from piece to piece. STONEYARD® is not responsible for photos used in color literature, on websites, or in emails to accurately reflect actual material. Photos are used to create a general idea or feel for the material and cannot be used for color matching.
